The Freemen of Walworth County are fully aroused to the vital importance of the coming Presidential struggle. Public sentiment, in that county, is all one vay Whige, Free Soilers and Democrate unite, heart and hand, in the cause of Freedom. A spirited meeting was held at Elkhorn on the 1th, at which the Philadelphia nominations and platform were ratified with entire unanimity. On the 10th, the masses again gatacred at Delavan. They were addressed by the Hon. John Westworth, of Chicago, Mr. Lyon, of Racine, Judge Sropers, and other gentlemen. Gen. An example of prompt and adequate punishment of anti-slavery ion and tressonable utterance in our mic agistion and treasonable uterance in our midel, is waiting to represe the clandestine machinations of these Yankee immigrants. There is no occasion to irregular violence, for we have proper laws and pessibles for the emergency. We cill apon the prospecting attorneys of the State to do their duty. The "interests of the South," to which it refers, are simply the interests of SLAVERY; and "the sermin" who the "chivalry" of the Old Dominion propose t aid themselves of, are those men who dare to gave that they are in favor of LIBERTY!
